

Acoustics and Wall Protection in Lobby / Hallway

FS150 can be used as a perimeter, intermediate, and as an inside corner piece for 1" square profile installations. The FS150 Frame offers additional structural support and is perfect for use with our Fabric Wall Finishing System. Combined with our ReCore® Backing and Fabric,

this Frame can be used to create anything from full-wall photographic murals to smaller acoustic or bulletin-board panels as well as Wainscoting and other types of Wall Protection. Use our Flex-Frame for creating curved designs or installing on rounded surfaces.

FS150 FRAME FEATURES
