

A

CANYON CARVE

SKU: FA140-57-002-308-CLR

A striking interplay of depth and movement, this fabric pattern captures the illusion of sculpted 3D wave formations—reminiscent of carved canyon walls shaped by time and flow. Its fluid, architectural texture brings a sense of dimensionality and organic rhythm, transforming wall applications into immersive design statements.

Content: 100% Polyester

Weight: 9.49±1.0oz / linear yard

Width: 57" usable

Repeat: Horizontal: 25" Vertical: 16.6"

Directional: Non-Directional

Flammability: Class I or A - ASTM E84
